

Attention Citizens,

After the December 17<sup>th</sup> City Council meeting accepted the resolution to begin a recycling program; the city is opening collection points for Christmas cardboard waste. We will be placing a collection trailer in the Ballinger ISD parking lot across from the football stadium, as well as collecting your cardboard at the recycle station at 303 S 7<sup>th</sup>. The collection trailer will be on location from December 26<sup>th</sup> through the 28<sup>th</sup>. Please feel free to deposit all cardboard at the Recycle Center. As always, the city appreciates your support and is looking forward to working with you to help keep Ballinger clean and prosperous.

Thank You,

Jack Watkins
