

WATER TREATMENT PLANT OPERATOR

The City of Ballinger is taking applications for a Class “A” or Class “B” Surface Water Treatment Plant Operator. The chosen applicant must be able to perform all duties associated with operating a surface water treatment plant as well as raw water pump stations and transmission lines. The City of Ballinger offers an excellent benefits package to its employees.

Interested applicants can send their resumes to City of Ballinger, P.O. Box 497, Ballinger, Texas 76821, attention Tommy Turney, Jr.
